## CSEA/PEF Tuition Discount Application

Students with a current CSEA or PEF Union membership are eligible to receive a 25% tuition discount. This discount applies to tuition only, and may not be combined with other College-sponsored tuition discount programs, including grants or scholarships. A new application must be submitted each semester, and this application applies only to the most recent semester. Applications must be submitted to the Saint Rose Bursar's Office on or before the deadline date, any late payment fees which may have been assessed.

The discount will be applied within ten days after the first day of classes. If a student withdraws from classes, this discount will be adjusted to reflect any tuition reduction, but will remain at the 25% discount rate.

Please note that this discount is based on a currently approved program, and once processed, will be in effect for the current semester.
